INSTRUCTIONS:

Bracelet:

1. Attach the beading wire to one half of the clasp using one crimp bead. String all five rose photobeads, one crimp tube and one eye pin. Put the end of the beading wire back through the crimp bead, pull tight and crimp.
2. String one silver plated plastic bead on the eye pin and make a loop connecting to another eye pin, crimp excess wire. Repeat this step four times with the other beads in this order: a black glass bead, a silver plated plastic bead, the dark grey "beaded" bead and a black glass bead. The loop of the last eye pin should connect to the second part of the clasp.

Charms:

3. Slide one silver plated 10mm heart charm on a 4mm jump ring and close the ring. On a head pin string the 20mm red glass heart and the jump ring with the heart charm. Make a loop attaching the hearts to the bracelet between the last rose bead and the first silver plated bead of the bracelet.
4. Slide one silver plated 10mm heart charm on a 4mm jump ring and close the ring. On a head pin string one 16mm black glass heart and the jump ring with the heart charm. Make a loop attaching the hearts to the bracelet between the first silver plated bead and the first black glass bead.
5. String one red 8mm glass heart on a head pin and make a loop. Attach this charm together with the smaller (25mm) heart pendant to the bracelet between the first black glass bead and the second silver plated bead using a 10mm jump ring.
6. Slide one silver plated 10mm heart shaped charm on a 4mm jump ring and close the ring. On a head pin string the 16mm red glass heart and the jump ring with the heart charm. Make a loop attaching the hearts to the bracelet between the second silver plated bead and the dark grey "beaded" bead.
7. String one red 8mm glass heart on a head pin and make a loop. Attach this charm together with the bigger (35mm) heart pendant to the bracelet between the dark grey "beaded" bead and the second black glass bead using a 10mm jump ring.
8. String one red 8mm glass heart on a head pin and make a loop. On a head pin string one 16mm black glass heart and the red heart charm you just made. Make a loop attaching the hearts to the bracelet between the second black glass bead and the clasp.
9. Slide the last silver plated 10mm heart charm on a 4mm jump ring and attach it to the eye of the last eye pin. String one black 16mm glass heart on a head pin and make a loop attaching it to the eye of the eye pin. String the red "beaded" bead on the eye pin and make a loop attaching the charm to the bracelet between the clasp and the first rose photobead.
