

RASPBERRY DREAM CHAIN

By Mieke Warmenhoven, Limited Edition (Den Haag, Netherlands)

MATERIALS:

- 1 dark pink 25mm photobead with asters and chrysanthemums
- 6 dark pink 25mm fluted oval wooden beads
- 8 silver coloured 6mm plastic round beads
- 1 silver coloured 20mm twisted ring
- 1 silver coloured 75mm metal chain tassel
- 40cm silver coloured 10mm and 5mm curbs chain
- 28cm beading wire
- 4 silver coloured 6mm jump rings
- 2 silver coloured crimp beads

TOOLS: pliers, wire cutters, crimping pliers

FINISHED SIZE: chain - 57cm, pendant - 13cm

RESOURCES: all resources Limited Edition, www.cursussieraden.nl

INSTRUCTIONS:

1. Pass the beading wire through a crimp bead, a closed jump ring and back through the crimp bead; crimp.
2. String one silver coloured bead and one wooden bead. Repeat this two more times.
3. String one silver coloured bead, the photobead and one more silver coloured bead. Pass the wire through a closed jump ring and back through the silver coloured bead, photobeads and one more silver coloured bead. Pull the wire tight.
4. String one wooden bead and one silver coloured bead. Repeat this two more times.
5. String one crimp bead, pass the wire through a closed jump ring and back through the crimp bead; crimp.
6. Attach two sides of the chain to the jump rings on two wooden beads strings.
7. Attach the twisted ring to the jump ring at the end of the photobead pendant.
8. Use the last jump ring to attach the tassel to the twisted ring.

Easy and funky!
